**OLD BUSINESS:** There were no items brought before the Board.

#### **NEW BUSINESS:**

1. The interstate Shoot Trophy has run out of places to put the winning team brass plate on. It is a walnut base and it was decided to add a larger walnut base to the bottom of the existing trophy to keep it looking the same. Harry Marsh "volunteered" to update the trophy.
2. The pocket knives for 2012 were discussed and all seem to think they went over well. Just a few are left. It was discussed about doing the same again for 2013, different knife but etched and numbered ordered early so that they would be there for the Interstate shoot. The first 10 knives would be available the winning team at Boonesborough and given to the winning team if it were the Ky. Team and the other teams in order of finish would have the option to buy those numbers. The Ky. First team will be presented with 1 knife each as a recognition of their efforts. Remaining knives would be sold to whoever wanted to buy them. A motion to that effect was made by Sterling Martin. A second was given by AB Conley. Motion carried.
3. The 2013 Pennsylvania Shoot will be April 27<sup>th</sup> at Altoona, PA. It will be back to the old format with only the top 5 scores from each team counting so we need as many shooters as possible to pick the top 5 from.

Curtis Combs made a motion for the Corps to allot \$1000 to divided up by those who go to help defray expenses (Motel & Fuel). A second was given by Curtis Geoghegan. Motion carried.

4. Targets for all of the Corps shoots were discussed and Dan Braun said that inventory was running low. Prices for new targets will be checked and then ordered. A motion to order new targets was made by AB Conley . A second was given by Sterling Martin. Motion carried.
