If your name is listed above, bring your gun and be ready to shoot. I would like to have Kentucky put THREE TEAMS on the field for this special occasion. If your name is not listed above, bring your gun and be ready to shoot anyway.

Interstate Shoot 2012, October 5&6. Guys, this is always our premier event of the year. This year being the 50th Fall Interstate shoot makes this one of the most significant events in the history of the Corps. It is VERY IMPORTANT that we have all hands present to assure a successful weekend. It all starts on Friday night in the campground at the state park. The Corps will be hosting a kickoff meal and social for all of our visiting teams. Please go the extra mile and attend this event. We will be supplying meat and soft drinks. Please bring a covered dish. The meal will be served promptly at 6:00 p.m..

Saturday 9:30 a.m. we need 50 volunteers to show up and help put on the shoot. The match format will be much like in the past with the following changes; No spotting scopes will be allowed on the range (this year only), 25 yard scores will be the only scores posted at the range, there will be a 15 minute practice session before the 50 yard matches, following the match all participants will travel to shelter house #2 in the main entrance to the park for a social hour along with bluegrass music and the afternoon meal, 50 yard scores will be presented to team captains, awards, raffle drawings, and final comments will follow. Brenda Wallingford (859-322-3500) will be our meal coordinator. Please contact her or Charlie regarding what to bring. Let me ask EVERYONE to bring something for the meal.

Fall Rendezvous, October 26, 27, & 28; Once again, this event will be held at my home along the Stoner Creek in Paris. We will have a woods walk type shoot. Bring a blanket prize. Saturday evening we will have an old fashioned fish fry following the meeting so come ready to chow down. The Corps will also be holding it's annual election of officers. Offices open are; President, V.P., & Secretary/Treasurer. It's time for some of you youngsters to step up and run the show. If you don't know how to find the place, call me (859-361-1055).

Tanner's Station Rifle Frolic, November 3rd. Steve White and Co. will put on a full blown primitive rifle match. The prizes make this event one to seriously consider. For all of the particulars, call; Steve 606-564-4887, Bud 502-744-5661, or John 606-407-1737.

Looking back; This year's Kentucky Cup Match was another big success. Thanks to, well, everybody! Why would we travel all of those miles to shoot in sweltering heat for a damned old trophy? Good question. I guess it's because it's a great time to get together!

Looking around; What has happened to all of our Western Kentucky / E-Town buddies? We miss you! Where the FRIG is Fuzzy?

Looking to the empty chair in camp; Paul Talbert was a delightful person and a joy to be around. It won't be the same without you Paul.

Too many good-bye's this year fellows.

See you at Boonesborough,

Wayne
