Addendum to Spring 2016

Dear fellow members and friends,

This is going to be a brief addendum to my past newsletter. Another event date has come up. Many of you have attended it in the past. The Magoffin Co. Muzzleloaders will hold their annual Conley – Montgomery fish and shoot down at my place on Stoner Creek on June 3, 4, & 5. There will be a woods walk shoot (blanket prize) and fishing on Saturday and camp meal on Saturday evening. This will be a great opportunity for you to get in your second tryouts too. Plan on spending the weekend with us. If you need directions, call me 859-361-1055.

Also, the theme for the Kentucky Cup Match this year is “Shooting for the Taa-Taas”. Bring a few extra dollars. There will be a closest to center match (re-entry) as well as a drawing for a signed, numbered, and framed Robert Griffing print. All of the money taken from the re-entry match and prize drawing will go directly to breast cancer research. There will also be a special tee-shirt made up to commemorate the event. Be sure to get your teams registered with Charlie and Kim Burton 606-780-7709.

This letter will go out to our email members only so get the word out to those who aren't familiar with all of this technology.

SEE YOU ON THE STONER!
