Board Meeting 2010

I hope this newsletter finds all well and warm. Currently my office is 52* INSIDE. Fan motor out on heater but should be fixed shortly.

On Jan. 10 2010 at 11am our newly installed president, **Sir Dan Braun**, call the annual spring meeting of the board of directors to order at Boonesborough State Park. After roll call the minutes of the last meeting and the treasurer's report were read and approved. Due to the elections last fall there were 3 positions on the board left vacant. President Braun had already appointed **Carl King** and **Kevin Steel** to fill two of the positions and **Wayne Jenkins** was then elected by the board to fill the last position.

Under old business: **Paul Thompson**, **Jeff Talbert**, and **Mike Gubser** were approved for life membership for serving as past Corps secretaries.

New business:

- **Charlie Wallingford** will chair a committee to put together plans for the upcoming 50th anniversary shoot in 2012.
- A work committee will be called together later this summer to help with the range preparations at **Mike Spenlau's** farm for the interstate shoot. Mike has agreed to get the metal posts to hold the backboards. Suggestion made that after the shoot the backboard material be divided among clubs.
- **Randy Russell** has agreed to bring his cooking team to Sparta for the shoot. (Randy deserves a good "Ata-boy" from all for his dedication to this delicious part of the shoot program).

2010 CALENDER:

Randy Russell Hammer-In - **March 20**

Spring Rendezvous - **May 1/2 @ Morehead**

Bucksnot Rendezvous - **May 12/14/15**

Harrodsburg Flintlock Championship - **June 5th @ 11:00**

KY Cup Match - **July 24 @ Morehead**

Interstate Shoot - **Oct 2 @ Sparta**

Fall Rendezvous - **Oct 22/23/24 @ Stoner Creek Resort & Spa**

Pennsylvania Shoot – **April 24th** (See **Charlie Burton** for details on this event)

More stuff that came up in the meeting:

- **AB** asked that everyone be prepared to participate in a large shoot to be held in Magoffin County during one of their celebrations (for who knows what this time), date TBA later.
- Also, Magoffin County club is having a “Winter Rendezvous” at AB’s cabin January 30/31. The way it looks outside right now you may want to take plenty of food for you may be there awhile.
- It was announced there is a proposal at the state level to create a “Flintlock” only deer season. Keep your eyes and ears open for more on this.
- **Wayne Eggemeier** has offered to make various styles of candle lanterns for the Corps to present as awards this year.
- There will be a territorial shoot in Morehead on May 14/15/16
- Suggestions to use secrete ballots during elections.

New probationary member for 2011 approval – **Brandon Thorpe**

New full memberships approved for 2010:

- **Bob Grimm**
- **Randy Cantrell**
- **Charlie Hayes**

Congratulations to all and look forward to continue seeing your faces at events.

Motion was made seconded and passed to adjourn before I could get it written down.

Well there it is, I hope I got everything, but I feel very confident someone will let me know if I missed something. Anyway, pay attention here. I will type very slowly for those of you that can’t read very fast (People like Fuzzy) but we are going to try and bring the newsletter into the 21st century by offering it in **e-l-e-c-t-r-o-n-i-c** format for as many of you as we can. It is currently costing around \$175 or so to send all newsletters by “snail mail” and is very limited to content. By sending the newsletters in e-mail format it can be in color, monthly if needed, have much more content such as classifieds, promotion of our members craftsmanship, have links to other interesting sites and the list goes on and on.

So here is the deal. I need anyone who wants their newsletters in the future by e-mail to send me a brief note to me from the address you want it sent to **EVEN IF I ALREADY HAVE YOUR ADDRESS!**

Je.barker@moreheadstate.edu

It was GREAT to see Sir **OSSIE PRATER** at the meeting. It takes a long time to grow an old friend so we don’t want to lose them to fast.

Remember to mark all the dates and stuff down on your calendar because time is moving steadily on and they will be here before you realize it.

Everything that has a beginning (like this newsletter) must also have an ending and I believe we have reached that point. Anyways, the fan is finally fixed and it is getting nice and cozy in here again. I will just lean back and drift off to thinking about rendezvous of the past, the crackle of the fires, the smell of sausage and eggs cooking in the morning dew, hearing the far off cry from other .. rendezvous ... camps“I’ve gotem AB” ...
